

18th October 2017

Dear Parent/Carer

I am writing to invite you to attend an important presentation which will be delivered by Families First and our own Head of IT Services (UE Trust) here at Clayton Hall Academy on Thursday 30th November 2017 from 6.15pm – 7.30pm in the Main Hall.

They will be covering topics including devices, games, cyberbullying, how grooming occurs and the dangers of some of the apps that young people are using and many other issues.

I am told by Families First that the content will help parents to understand what they need to be aware of and how to protect their child, as anyone can be at risk from these issues.

The presentation is ideally for parents only. However, for parents where child care requirements would prevent them from attending, it will be fine for their child to accompany them. Please be aware that due to the nature of the materials which will be discussed, the presentation is not suitable for younger children.

We anticipate that there will be a high demand for places at this event, which will be allocated on a first come, first served basis. Would you kindly respond to events@uetrust.org as soon as possible to secure your place, and by no later than Friday 17th November 2017.

Yours faithfully

Sophie Dutton-Johnson
Trust Safeguarding Compliance Officer
